January Program

We have had some real good presentations during the past year, and this month's presentation was no exception and starts out the new year well. The presentation covered Belden products that are applicable to the broadcast industry. Ms. Holly Head, Broadcast Sales Specialist, discussed Belden's line of Brilliance HD cables and HD Brilliance BNC crimp connectors. Holly also covered Belden's 'Digital' microphone cables. You can reach Holly at holly.head@belden.com.

Thanks as always to Jim and his staff for hosting our January SBE meeting in the WPOZ Conference Center.
